WHO IS THE SANDTON SPCA?

Our aim is the prevention of cruelty to animals and to provide a place of safety and care for all animals in distress. SPCA work encompasses all animals, including wildlife, equine and farm animals, marine life and animals used for experimentation.

The Sandton and Eastern Metro SPCA serves our community in a variety of ways. We are a non-profit organisation not funded by government, and rely solely on the general public for financial support.

WHAT IS A BEQUEST / LEGACY?

A sum of money, items of property or possessions left in your Will to another person, group, organisation or charity.

CAN I CHANGE MY EXISTING WILL?

You can change your Will through a Codicil which is then read together with your Will.

HOW CAN I REMEMBER THE SANDTON SPCA IN MY WILL?

We recommend you take the wording suggested below to your advisor for their information and appropriate incorporation in your estate plan:

"I bequeath to the Sandton SPCA (SSPCA), a Trust registered with the Master of the High Court, Pretoria in 1973 under IT 6247, registered NPO number 00 - 713, and PBO Exemption number 930009645, or the successors in title or practice to the Sandton SPCA..."

I further express the wish that such bequest be used for the general purpose of preventing cruelty to animals and the provision of a place of safety and care for all animals in distress.

There are a number of types of bequests and you may select any one or combination of them:

- A specific sum of money.
- Property, this could include real estate, vehicles, art, antiques, jewellery, shares and unit trusts.
- A life insurance policy.

WHY SHOULD I LEAVE A BEQUEST TO THE SANDTON SPCA?

Remembering the Sandton SPCA in your Will exempts such part of your estate from estate duty.

Section 4 (h) of the Estate Duty Act determines that bequests made to approved public benefit organisations qualifies for a deduction from the value of your estate before estate duty is determined. A charitable bequest which meets this criteria thus holds the advantage of reducing the taxable value of your estate and the potential estate duty payable.

When you include a bequest to the Sandton SPCA in your Will, you have the power to keep alive your own vision of a better world for all animals and ensure that you will be remembered fondly and with gratitude for years to come. The Sandton SPCA relies on gifts such as bequests from our supporters to ensure the sustainability of our service and purpose of preventing cruelty to animals.
